

Singita

Buffalo Range International Airport to Kruger Mpumalanga International Airport

- > Starting in March 2024, Halsted's Aviation Corporation (HAC) will operate weekly flights exclusively on Thursdays, using either a King Air 350 or King Air 200 aircraft
- > The service will connect with the Federal Air scheduled flight operating between Kruger Mpumalanga International Airport and the Singita lodges in Sabi Sand or Kruger National Park
- > Immigration procedures will take place at Kruger Mpumalanga International Airport and Buffalo Range International Airport
- > Guests can easily combine Singita Malilangwe and Singita Sabi Sand or Kruger National Park, improving access and connectivity.
