

# wellness treatments

We believe in wellness as a state of being – and in experiences that achieve wholeness on every level.

Our massages and therapies harness the curative effects of African botanicals and tap into the profound benefits of indigenous wisdoms and essential oils that relax, replenish and revive.

Each tailor-made therapy is customised and timed to preference, ensuring a completely personalised experience.

Duration	Cost
60 minutes	ZAR 2 600
90 minutes	ZAR 3 150
