SERENGETI, TANZANIA

Singita

“In all that we do, we strive to bring people closer to nature. Explore is the most concentrated expression of this mission. A primal experience that truly allows you to become one with the ecosystem.”

- Jo Bailes, CEO

## Our purpose

Singita is a leading conservation and ecotourism brand, borne of a deep love and respect for nature and Africa, passed down through generations. Guided by an enduring purpose to facilitate the protection and preservation of large areas of African wilderness for future generations, we offer meaningful nature-based experiences across some of the continent's most expansive and untouched concessions.

### THE GRUMETI FUND

The **Grumeti Fund** is an independent non-profit organisation. Our conservation partner in Tanzania and the custodian of 350,000 acres of wilderness along the western corridor of the Serengeti, where **Singita Grumeti** is located, its team works tirelessly in the pursuit of a world in which people and wildlife coexist sustainably, forever.

## Explore

Deep in the wilderness, camouflaged among trees, Explore is one with the plains. Every moment at this pared-back, private camp is guided by the landscape. Wind cools you. Heat nudges you toward shade. Curiosity calls you into each day. You wake gently to a human voice announcing sunrise, and at night, wildlife calls from the nearby dark. Free to roam, you feel the earth crunch beneath every step, share meals over open flame, and end days trading stories around embers, under star-filled skies. It's simple, yet comfort is close: a cosy bed, a warm bucket shower, and excellence without excess.

Listen to the soothing  
sounds of the Serengeti.

## Camp Details

- Two private camps, each with six one-bedroom tents.
- Two of these tents can be set up to accommodate families, or the additional space can be used for wellness treatments and fitness activities.
- Wi-Fi is available throughout camp. However, we encourage guests to disconnect and tune into their surroundings as much as possible.
- The camp is solar-powered, meaning you can charge your devices. The electricity supply is 220V AC.
- Simple, nourishing, seasonal meals cooked over open flames and enjoyed fireside or in the main tent.
- A private vehicle and a small group of people dedicated to guiding every aspect of your stay, ensuring you feel comfortable and cared for in every moment.
- A natural, non-invasive ambience, including the sounds and scents of the landscape, warm lighting, and flickering flames.
- True to camping, each day is guided by the elements. On hot days, you're cooled by the breeze, a fan, a cold drink, footbath, or outdoor shower, or a wet kikoï wrapped around you. At night, you're warmed by fire, blankets, and hot water bottles.
- Opportunities for deep rest through meditation, silence, drawing, conversation, and shared learning.
- Children of all ages are welcome.

## Experiences

- Guided bush walks
- Daily game drives
- Hot air ballooning
- Birdwatching
- Stargazing
- Stories around the fire
- Wellness treatments

*In the interest of safety, children's participation in game activities is at the discretion of a guide.*

## Our location

### SINGITA GRUMETI (A)

A seemingly endless expanse of teeming plains, riverine forests, thorny scrubland, and rising hills, this concession forms part of the Serengeti-Mara ecosystem. Rich in heritage and biodiversity, it's home to the annual Great Migration and an abundance of other endemic and migratory wildlife throughout the year.
