SERENGETI, TANZANIA

Singita

“Warm, serene, and designed for connection, life at Kilima follows the gentle pace of the Serengeti.”

— Jo Bailes, CEO

Our purpose

Singita is a conservation-led ecotourism brand. Guided by an enduring purpose to protect and preserve large areas of African wilderness for future generations, we curate journeys and experiences across some of the continent's most expansive, untouched concessions — striving, always, to inspire a deeper sense of care for nature and for Africa itself.

THE GRUMETI FUND

The **Grumeti Fund** is an independent non-profit organisation. Our conservation partner in Tanzania and the custodian of 350,000 acres of wilderness along the western corridor of the Serengeti, where **Singita Grumeti** is located, its team works tirelessly in the pursuit of a world in which people and wildlife coexist sustainably, forever.

Kilima

Terracotta walls echo the dirt roads you took to get here, absorbing the warmth of the sun and inviting you into Kilima's gentle embrace. The subtle sounds of wind and water are ever-present, and the outdoor sala — overlooking teeming plains — and pathways connecting each communal space are shaded by verdant foliage, grounding you in nature. Designed for sharing, Kilima offers a sense of safety and care. Mornings are slow and reflective. Afternoons stretch lazily on. And as dusk arrives, it comes alive with firelight and mealtime conversation. Here, the wilderness around you is endless, but all that matters feels close.
