SERENGETI, TANZANIA

Singita

“A stay that brings you into the heart of the Serengeti, where days unfold at the pace of the plains. Simple, comfortable, and deeply connected to the wild, Sabora is a place to both slow down and seek adventure.”

— Jo Bailes, CEO

Our purpose

Singita is a conservation-led ecotourism brand. Guided by an enduring purpose to protect and preserve large areas of African wilderness for future generations, we curate journeys and experiences across some of the continent's most expansive, untouched concessions — striving, always, to inspire a deeper sense of care for nature and for Africa itself.

THE GRUMETI FUND

The **Grumeti Fund** is an independent non-profit organisation. Our conservation partner in Tanzania and the custodian of 350,000 acres of wilderness along the western corridor of the Serengeti, where **Singita Grumeti** is located, its team works tirelessly in the pursuit of a world in which people and wildlife coexist sustainably, forever.

Sabora

Wildlife roams freely through Sabora, grazing the same paths you walk. Loosely circular, from the entrance that welcomes you to the firepit and shared spaces, the camp draws you together — insular yet open to the plains. Everything in your tent sits exactly where you need it, an intuitive flow that makes living instinctive. Clean lines and neutral tones evoke ease and comfort, creating space for lively conversation and quiet reflection, before the bush takes over again: wildlife calling, breeze flowing, birdsong drifting from a nearby waterhole. Here, comfort is always close, but adventure waits at the edge of your deck.

Hear the landscape
come alive.
